(b) Contract BC-200

Dear Sir:

The following extract from Invoice #PE 15135 dated 30 April 1957 presents the corrections to typographical errors therein submitted:

<u>Contract Item No.</u>		<u>Unit Price</u>	<u>Total Price</u>				
6	Spares per Exhibit "A" - Basic						
	<table> <thead> <tr> <th><u>Line Item</u></th> <th><u>No. of Units</u></th> </tr> </thead> <tbody> <tr> <td>22</td> <td>2</td> </tr> </tbody> </table>	<u>Line Item</u>	<u>No. of Units</u>	22	2	\$72.36	\$144.72
<u>Line Item</u>	<u>No. of Units</u>						
22	2						
6	Spares per Exhibit "A" - Supplement						
	<table> <thead> <tr> <th><u>Line Item</u></th> <th><u>No. of Units</u></th> </tr> </thead> <tbody> <tr> <td>22</td> <td>8</td> </tr> </tbody> </table>	<u>Line Item</u>	<u>No. of Units</u>	22	8	72.36	578.88
<u>Line Item</u>	<u>No. of Units</u>						
22	8						

It should be noted that the total amount of the invoice does not change. We increased the quantity of units by one (1) for Exhibit "A" - Basic and decreased the quantity of units by one (1) for Exhibit "A" - Supplement. We also corrected Exhibit "B" Supplement to read Exhibit "A" Supplement.

If there are additional questions on any invoices please contact me direct.

Very truly yours,

HYCON MFG. COMPANY
